Re C H & M, through
Joe Jacobina, will
rent a dumpster to
haul away the
refuge from the 3rd
floor of the city
building. I
wanted to be
sure Charlotte
knew all about it.

Artist Viewing Colleague's Work

9 AM - News - prepared my material on their
week's News and did the headline on the
Thacher & Avery article.

9:20 AM - made deposit at Liberty Bank

10 AM - very friendly visit with Charlotte
Moro in her office. I told her about the

Dumpster and asked about putting the city's
Christmas decorations in the basement
and not on the 3rd floor. She was very
friendly and very cooperative. She
suggested I talk to Jocy Mancus &
Bob McDonnell. No former was not there
and so I told the street crew about it
(the dumpster) and also told Joe Moro,
who was seated at the desk in the street
department. Went over to see Bob
McDonnell and asked if we could put
the decorations from Main Street in
the basement & he said yes. He will call
me on Monday next when the decorations
are due to come down, and I will assist
in the placement of the decorations in
the basement of CCH & C.

The day was in aff to a very gratifying start. Check
things off the list; one/two/three. Returned to 816L, via
a stop in the Big Chief. Butch Zaverell & Janet Lamb
both said hello and congratulated me on my efforts
on behalf of Carbondale. When I returned here I
called Joe Jacobina (not home) and then Altier's
Pioneer Refuge, 107 Spruce Street, arabes - 876-4331.
Joe Altier called me back & we will have a 30 yard
dumpster at City Hall tomorrow at 4:30 PM. Excellent.
Joe Altier said: "I'll take care of you. all I'm worried
about is the dumping fees, so you'll get a good price."
Wonderful. We greatly appreciate the price break.
